

KLove is the only Christian radio serving my area. I don't know how I could make it through my day without hearing the positive and encouraging words and songs that I receive from KLOVE.

If we were displaced by some LPFM station, it would affect the lives of people around this area. This station gives hope to many people who struggle in such a hard world that is only getting worse by the day. KLOVE has helped many people, especially me. KLOVE helps parents in giving them guidance and the support they need to raise children. KLOVE helps in more areas than I have the space to write! Please do all that you can to keep our KLOVE on the air!
